For your nomination, the following criteria have to be fulfilled:

- Nominated individuals should have made a relevant and substantial personal contribution to the field of diabetes.

The member proposing a potential honorary member should submit a brief biography, including:

- Accomplishments
- Criteria met
- Reasons for granting Honorary Membership

Please submit your nomination by **Wednesday, 05 April 2023** (23:59 CEST) to the following email address: membership@easd.org.

The EASD Board will agree every year upon the maximum number of Honorary Memberships and will be responsible for selecting candidates to be presented to the EASD membership for final ratification.
