About EASD

The European Association for the Study of Diabetes e.V. (EASD) was founded in 1965 and is based in Düsseldorf, Germany. It is one of the largest networks for diabetologists worldwide with the mission to promote excellence in diabetes care through research and education. EASD membership is open to healthcare professionals, scientists and nurses as well as students, from all over the world who are interested in the field of diabetes. More information about EASD can be found at: www.easd.org.

About EFSD

The European Foundation for the Study of Diabetes (EFSD) was created by the European Association for the Study of Diabetes e.V. (EASD) to provide funding in all areas of diabetes research across the entire European Region. The aims of EFSD are to encourage and support groundbreaking diabetes research and to promote the next generation of leading diabetes researchers. More information about EFSD can be found at: www.europeandiabetesfoundation.org.
