

## Call for nominations for EASD Honorary Membership 2026

Dear EASD Member,

EASD honours distinguished members with lifetime Honorary Membership annually. The EASD Board invites you as member of the Association to submit the name of an individual for consideration of lifetime Honorary Membership 2026.

For your nomination, the following criteria have to be fulfilled:

- Nominated individuals should typically have retired from their career (e.g. should no longer head an organisation except for an honorary position)
- Nominated individuals should have made a relevant and substantial personal contribution to the field of diabetes
- Nominated individuals should have made a continuous and substantial contribution to the Association.

If you have someone in mind who should be recognised for their exceptional contributions, please propose a potential Honorary Member by submitting a brief biography of the individual you want to nominate, including:

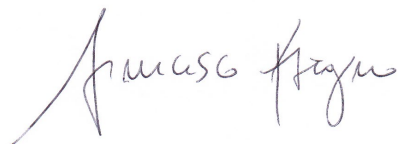

- Accomplishments
- Criteria met
- Reasons for granting Honorary Membership

Please send your nomination by **Friday, 27 March 2026 (23:59 CET)** to the following email address: [membership@easd.org](mailto:membership@easd.org).

The EASD Board agrees every year upon a maximum number of Honorary Memberships and is responsible for selecting candidates to be presented to the EASD membership for final ratification.

On behalf of the EASD Board, I am looking forward to this year's nominations.

With best regards,

Prof Francesco Giorgino  
President EASD/EFSD
