

62nd EASD Annual Meeting - Programme at a Glance

28 September - 2 October 2026, Milan, Italy

Tuesday, 29 September 2026									
Time	Milan Hall	London Hall	Paris Hall	Budapest Hall	Dublin Hall	Warsaw Hall	Vienna Hall	Spotlight Stage	Arena
08:30 09:00	Presidential Address								
09:00 09:45	58th Claude Bernard Lecture								
10:00 11:30	OP 1	OP 2	OP 3	OP 4	OP 5	OP 6	LBA OP 1 (late-breaking abstracts)	Early combination vs. stepwise therapy: rethinking diabetes treatment (10:00 - 11:00)	
12:00 13:00	Short Oral Discussion Sessions Event A (Short Oral Discussion Area)						EASD e-Learning expert session		Lab Talk (12:15 - 13:00)
13:15 14:15	Short Oral Discussion Sessions Event B (Short Oral Discussion Area)								
14:45 16:15	OP 7	OP 8	OP 9	OP 10	OP 11	OP 12	LBA OP 2 (late-breaking abstracts)		
16:45 17:45	41st Camillo Golgi Lecture	Metabolically healthy obesity: fact or fiction		Capturing the genetic risk of type 1 diabetes: utility and clinical application	Disrupted crosstalk between skeletal muscle and other organs in metabolic diseases	Precision medicine: the next phase?	Joint JACARDI-EUDF Symposium: Reducing the burden of cardiovascular diseases and diabetes in Europe: early evidence from the JACARDI Joint Action		

Programme is subject to change

62nd EASD Annual Meeting - Programme at a Glance

28 September - 2 October 2026, Milan, Italy

Wednesday, 30 September 2026									
Time	Milan Hall	London Hall	Paris Hall	Budapest Hall	Dublin Hall	Warsaw Hall	Vienna Hall	Spotlight Stage	Arena
08:30 09:30	New directions in MASLD: from subtypes to solutions	Disease modifying drug use in type 2 diabetes: barriers and progress	Pancreas plasticity and regeneration	20th Albert Renold Lecture		EASD-ADA joint session: The implementation imperative: closing the gap on diabetes care	Do sex and gender matter in diabetes and its complications?		
09:45 11:15	OP 13	OP 14	OP 15	OP 16	OP 17	OP 18	EASD General Assembly		
11:45 12:45	Short Oral Discussion Sessions Event C (Short Oral Discussion Area)					EFSD-NNF Future Leaders Symposium	EASD e-Learning expert session	Metabologia Symposium: The emerging cardiovascular-kidney-liver-metabolic (CKLM) interplay: from population health to targeted therapies (12:00 -12:45)	
13:00 14:00	Short Oral Discussion Sessions Event D (Short Oral Discussion Area)						EASD e-Learning expert session		Lab Talk (13:00 - 13:45)
14:30 16:00	OP 19	OP 20	LBA OP 3 (late-breaking abstracts)	OP 21	OP 22	OP 23	OP 24	AI in medical writing: a panel discussion (14:45 - 15:45)	
16:30 17:30	12th EASD-NNF Diabetes Prize for Excellence Lecture		Understanding CV risks before type 2 diabetes: well beyond glucose		Experimental immunology and islets in type 1 diabetes	EASD-EASO joint session: Obesity management through different lenses			From postdoc to PI: navigating the path to your independent lab (16:45 - 17:30)

Programme is subject to change

62nd EASD Annual Meeting - Programme at a Glance

28 September - 2 October 2026, Milan, Italy

Thursday, 1 October 2026									
Time	Milan Hall	London Hall	Paris Hall	Budapest Hall	Dublin Hall	Warsaw Hall	Vienna Hall	Spotlight Stage	Arena
08:30 09:15	Many paths, one goal: exercise to prevent and treat diabetes	Challenges in future obesity management	Rising Star Symposium (08:30 - 10:10)		Human pancreatic islet development	Cardiovascular autonomic neuropathy			
09:30 10:15	Inflammation and type 2 diabetes complications: dogma vs data	EASD-EASL joint session: Early approvals, real-world insights, and emerging therapies in MASLD care							
10:45 12:15	OP 25	LBA OP 4 (late-breaking abstracts)	OP 26	OP 27	OP 28	OP 29	OP 30		
12:45 13:45	Short Oral Discussion Sessions Event E (Short Oral Discussion Area)						EASD e-Learning expert session	EUDF Symposium (13:00 - 13:45)	
14:00 15:00	Short Oral Discussion Sessions Event F (Short Oral Discussion Area)						EASD e-Learning expert session		Lab Talk (14:00 - 14:45)
15:30 17:00	OP 31	LBA OP 5 (late-breaking abstracts)	OP 32	OP 33	OP 34	OP 35	OP 36		
17:30 18:30	<i>Induction of Honorary Members</i> 61st Minkowski Lecture	What's in your food? Ultra-processed foods and the risk of type 2 diabetes	Early onset type 2 diabetes and CV outcomes	Diabetologia Symposium: When diabetes meets the liver: MASLD in focus	Future of diabetes technology: sensors, algorithms and patients	The balancing act of energy intake and expenditure to combat diabetes			

Programme is subject to change

62nd EASD Annual Meeting - Programme at a Glance

28 September - 2 October 2026, Milan, Italy

Friday, 2 October 2026									
Time	Milan Hall	London Hall	Paris Hall	Budapest Hall	Dublin Hall	Warsaw Hall	Vienna Hall	Spotlight Stage	Arena
08:30 09:30	Please don't go: adherence and persistence to glucose-lowering medications	2nd EASD Diabetes Global Impact Prize	Stem cell-derived islets in clinical trials: towards a cure for type 1 diabetes	EASD-ESC joint session: Advancing cardiovascular protection with incretins and SGLT2 inhibitors	Human adipose tissue in focus: cellular composition, programming and metabolic risk	Microbiome and intestinal permeability-targeted therapies: the next frontier in diabetes treatment			
10:00 11:00	OP 37	OP 38	OP 39	OP 40	OP 41	OP 42	LBA OP 6 (late-breaking abstracts)	Is the use of AID effective and safe in older age groups? (10:15 - 10:45)	Lab Talk (10:15 - 10:45)
11:30 12:30	OP 43	OP 44	OP 45	OP 46	OP 47	OP 48	LBA OP 7 (late-breaking abstracts)		
13:00 14:00	How complex can it be? New mechanistic insights into diabetic kidney disease		Hormones at work in the brain	Time to rethink obesity diagnosis: from BMI to personalised definitions	The "unpersonal" future of diabetes care: through the eyes of AID and beyond	Transcriptional regulation of pancreatic cells	EASD-Breakthrough T1D joint session: Shaping the future of type 1 diabetes care
